**DECLARATION OF NICHOLAS ACCORDINO
IN SUPPORT OF THE ORDINARY COURSE RETENTION OF

I, Nicholas Accordino, pursuant to 28 U.S.C. § 1746, declare under penalty of perjury, as follows:

1. I am a partner of the firm of Deloitte & Touche LLP (“Deloitte & Touche”), which has an office at 127 Public Square, Suite 3400, Cleveland, OH 44114. I am duly authorized to make and submit this declaration (the “Declaration”) on behalf of Deloitte & Touche pursuant to the *Order (I) Authorizing the Debtors to Retain and Compensate Professionals Utilized in the Ordinary Course of Business and (II) Granting Related Relief* [Docket No. 553] (the “OCP Order”). Pursuant to the terms of the OCP Order, the Debtors seek to retain Deloitte & Touche to provide the services set forth herein.

2. JOANN Inc. and certain of its affiliates, as debtors and debtors in possession (collectively, the “Debtors”), have requested that Deloitte & Touche provide on-call accounting

and internal-control advisory services to the Debtors, and Deloitte & Touche has consented to provide those services on the terms and conditions set forth in that certain statement of work between the Debtors and Deloitte & Touche, dated October 18, 2024 (the “Statement of Work”).² The Statement of Work was issued under and pursuant to the terms of that certain master services agreement between Deloitte LLP and Jo-Ann Stores LLC, dated August 12, 2024, to provide certain professional services (the “MSA”, together with the Statement of Work, the “Agreement”). A copy of the Agreement is attached hereto as **Exhibit 1**.

Deloitte & Touche’s Qualifications

3. Deloitte & Touche is a professional services firm with offices across the United States. Deloitte & Touche has significant experience in providing professional services and has performed such services in large and complex chapter 11 cases on behalf of debtors throughout the United States. Deloitte & Touche’s services fulfill an important need and are not provided by any of the Debtors’ other professionals.

4. In addition, since approximately August 2021, Deloitte & Touche has provided certain professional services to the Debtors. In providing such prepetition professional services to the Debtors, Deloitte & Touche is familiar with the Debtors and their businesses, including the Debtors’ financial affairs, debt structure, operations, and related matters. Deloitte & Touche performed similar professional services for the Debtors as an approved ordinary course professional in the Debtors’ 2024 chapter 11 cases. Having worked with the Debtors’ management, Deloitte & Touche has developed relevant experience and knowledge regarding the Debtors that will assist it in providing effective and efficient services during these chapter 11 cases (the “Chapter 11 Cases”).

² The MSA’s terms are incorporated in the Statement of Work and made a part thereof.

Accordingly, Deloitte & Touche is both well-qualified and able to provide the aforementioned services for the Debtors in these Chapter 11 Cases in an efficient and timely manner.

Disinterestedness

A. Background Information Related to Deloitte & Touche

5. Deloitte Touche Tohmatsu Limited (“DTTL”) is a UK private company limited by guarantee. DTTL itself does not provide services to clients. Each of the member firms of DTTL (each, a “DTTL Member Firm”) is a legally separate and distinct entity. The DTTL Member Firms are primarily organized on an individual country or regional basis, and operate within the legal and regulatory framework of their particular jurisdiction(s). The DTTL Member Firm structure reflects the fact that the DTTL Member Firms are not affiliates, subsidiaries, or branch offices of each other or of a global parent. Rather, they are separate and independent firms that have come together to practice under a common brand and shared methodologies, client service standards, and other professional protocols and guidelines. DTTL Member Firm partners and/or principals are generally the sole owners of their respective DTTL Member Firms. There is no overlap with respect to a partner’s or principal’s ownership in its respective DTTL Member Firm and any other DTTL Member Firm. Profits are not shared between or among the DTTL Member Firms.

6. In the United States, Deloitte LLP is a DTTL Member Firm. Like DTTL, Deloitte LLP does not provide services to clients. Rather, Deloitte LLP has operating affiliates that perform services for clients, including Deloitte & Touche, Deloitte Tax LLP (“Deloitte Tax”), Deloitte Consulting LLP (“Deloitte Consulting”), Deloitte Financial Advisory Services LLP (“Deloitte FAS”), and Deloitte Transactions and Business Analytics LLP (“DTBA”) (Deloitte LLP and each of the foregoing, and together with their respective direct and indirect subsidiaries, collectively, the “Deloitte U.S. Entities”). The partners and/or principals of each operating affiliate of Deloitte LLP are owners of their respective affiliate along with, directly or indirectly, Deloitte

LLP. Generally, each affiliate's respective partners and principals are also partners and principals, as applicable, of Deloitte LLP.

B. *Conflicts Check Process, Generally*

7. As described herein, for the most part, the conflicts searches conducted by Deloitte & Touche involves checking client and other databases of the Deloitte U.S. Entities. Given the separateness of the various DTTL Member Firms as described above, the Deloitte U.S. Entities do not have the capability to directly check the client or other databases of any of the non-U.S. DTTL Member Firms or their respective affiliates or subsidiaries. However, notwithstanding the separateness of the DTTL Member Firms, as described below, the Deloitte U.S. Entities' checking procedures in bankruptcy cases do result in the gathering of certain information related to the DTTL Member Firms.

8. When any of Deloitte LLP's operating affiliates, such as Deloitte & Touche, is to be the subject of an application to be retained in a chapter 11 case, a process commences regarding checking connections to the debtor, its affiliates and the debtor's parties in interest (as provided by the debtors). With the assistance of the Deloitte U.S. Entities' conflicts team (the "Conflicts Team"), a series of conflicts checking procedures are undertaken, including checking a number of Deloitte U.S. Entities' databases for their connections. Additionally, the Conflicts Team performs procedures to identify certain relationships of other DTTL Member Firms, as described below:

- (i) With respect to the debtor and debtor affiliates, the Conflicts Team will:
 - (a) Initiate cross-border check requests to the DTTL Member Firm(s) where the debtor or debtor affiliate is domiciled (i.e., the country of incorporation or the entity's headquarters, as the case may be) based upon information provided by the debtors and research by the Conflicts Team of publicly available information. The DTTL Member Firm(s) will then search applicable local databases to identify client or non-client relationships in their jurisdiction (such as

lender, vendors, business relationship entities or third parties associated with a client engagement).

- (b) Perform a search of the cross border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms, which are submitted when a DTTL Member Firm seeks to commence an engagement with or involving a U.S. entity.³ This search is conducted to identify whether those prospective engagements involved the debtor or its affiliates domiciled in the U.S. as the engaging client or non-client relationship (such as business relationship entities or third parties associated with a client engagement).
 - (c) Perform a search of the database system associated with audit and other related independence requirements (the “Independence Database”) to identify possible connections with debtor and debtor affiliates with respect to whom such requirements are actually or potentially implicated. Each DTTL Member Firm is required to input its respective audit and attest clients into the Independence Database, and all DTTL Member Firms have access to the Independence Database.⁴ Each entity in the Independence Database has a designated partner who is responsible for approving and monitoring services for entities included in its corporate tree. The Independence Database includes audit and attest clients of the various DTTL Member Firms, as well as certain other non-clients thereof.
- (ii) With respect to the debtor’s parties in interest, the Conflicts Team will:
- (a) Perform a search of the cross-border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms (described above) to identify whether those prospective engagements involved a U.S.-domiciled party in interest as a direct attest or litigation client or business relationship entity.
 - (b) Perform a search of the Independence Database to determine whether a party in interest is identified therein.

³ These cross-border conflict check requests are pursuant to a policy adopted by DTTL Member Firms.

⁴ Inputting audit and attest clients into the Independence Database is a policy followed by DTTL Member Firms so that such relationships are tracked in connection with such firms’ independence requirements.

9. Based upon the foregoing, it is my understanding that the overall design and implementation of Deloitte U.S. Entities' current procedures provide a reasonable level of comfort that relationships and potential conflicts related to a debtor will be identified.

C. Disinterestedness of Deloitte & Touche

10. Subject to the foregoing, except as set forth herein and in the attachments hereto, to the best of my information, knowledge, and belief based on reasonable inquiry: (a) neither I, Deloitte & Touche, nor any partner, principal, or managing director of Deloitte & Touche that is anticipated to provide the Services for which Deloitte & Touche is to be retained (the "Deloitte & Touche Engagement Partners/Principals/Managing Directors") holds any interest adverse to the Debtors with respect to the matters on which Deloitte & Touche is to be retained in their Chapter 11 Cases; and (b) Deloitte & Touche has no relationship to the Debtors, their significant creditors, certain other parties-in-interest, or to the attorneys that are known to be assisting the Debtors in their Chapter 11 Cases, except as stated herein or in any attachment hereto.

11. In connection with the Debtors' proposed retention of Deloitte & Touche as an ordinary course professional in their Chapter 11 Cases, Deloitte & Touche undertook searches to determine, and to disclose, whether it or its affiliates is or has been employed by or has other relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or any of the Debtors' significant creditors, customers, equity security holders, professionals, or other entities with significant relationships with the Debtors (the "Potential Parties-in-Interest"), whose specific names were provided to Deloitte & Touche by the Debtors, listed on **Schedule 1** attached hereto. To check upon and disclose possible relationships with significant Potential Parties-in-Interest in these Chapter 11 Cases, Deloitte & Touche researched its client databases and performed reasonable due diligence to determine whether it or its affiliates had any relationships with the

Debtors or their affiliates, subsidiaries, directors, or officers, or significant Potential Parties-in-Interest.

12. Deloitte & Touche and/or its affiliates have relationships with thousands of clients, some of which may be creditors of the Debtors or other Potential Parties-in-Interest. Accordingly, Deloitte & Touche and/or its affiliates have or may have provided professional services, may currently provide professional services, and/or may in the future provide professional services in matters unrelated to these Chapter 11 Cases to certain of the Potential Parties-in-Interest. Additionally, certain of these Potential Parties-in-Interest have or may have provided goods or services, may currently provide goods or services, and/or may in the future provide goods or services to Deloitte & Touche and/or its affiliates and the Deloitte & Touche Engagement Partners/Principals/Managing Directors in matters unrelated to these Chapter 11 Cases. A listing of parties with such connections to Deloitte & Touche and/or its affiliates is attached to this Declaration as **Schedule 2**.

13. With respect to Deloitte & Touche's conflicts checks conducted in these Chapter 11 Cases, if a database query identified a potential connection between a Potential Party-in-Interest and a Deloitte U.S. Entity or DTTL Member Firm, an email was sent to certain of the Deloitte U.S. Entity's and/or DTTL Member Firm's individuals, as applicable, associated with such Potential Party-in-Interest to confirm whether or not the relationship with such Potential Party-in-Interest related or currently relates to the Chapter 11 Cases. Responses to these emails were consolidated and subsequently reviewed. As stated in this Declaration, these processes result in the disclosures that are set forth herein, including the disclosure of certain connections with Potential Parties-in-Interest that do not relate to the Chapter 11 Cases. The identified potential

connections to the Potential Parties-in-Interest are included on **Schedule 2** appended hereto, and such connections do not relate to the Chapter 11 Cases.

14. Deloitte & Touche believes that the relationships described herein or reflected on **Schedule 2** have no bearing on the services for which Deloitte & Touche's retention is being sought by the Debtors in their Chapter 11 Cases. Furthermore, such relationships do not impair Deloitte & Touche's disinterestedness, and Deloitte & Touche does not represent an adverse interest in connection with the Chapter 11 Cases.

15. To the best of my knowledge, based on the searches discussed above, Deloitte & Touche has determined that certain relationships should be disclosed as follows.

- a. Deloitte & Touche and its affiliates provide services in matters unrelated to the Chapter 11 Cases to certain of the Debtors' largest unsecured and secured creditors and other Potential Parties-in-Interest or their affiliates listed on **Schedule 2**.
- b. Law firms identified on **Schedule 2**, including Cole Schotz, P.C.; Gibson, Dunn & Crutcher LLP; Glenn Agre Bergman & Fuentes LLP; Hahn Loeser & Parks LLP; Husch Blackwell LLP; Jackson Lewis P.C.; Jones Day; Latham & Watkins LLP; Katten Muchin Rosenman LLP; Kelley Drye & Warren LLP; Kirkland & Ellis LLP; Lavin, Cedrone, Graver, Boyd & Disipio; Lowenstein Sandler LP; Morgan Lewis and Brockius LLP; Morris, Nichols, Arsht & Tunnell LLP; and Ogletree, Deakins, Nash, Smoak & Stewart, P.C., have provided, currently provide, and may in the future provide legal services to DTBA or its affiliates in matters unrelated to their Chapter 11 Cases, and/or DTBA or its affiliates have provided, currently provide and may in the future provide services to such firms or their clients.
- c. In the ordinary course of its business, Deloitte & Touche and its affiliates have business relationships in unrelated matters with its principal competitors, which together with their affiliates may be Potential Parties-in-Interest in their Chapter 11 Cases. For example, from time to time, Deloitte & Touche and one or more of such entities may work on assignments for the same client or may otherwise engage each other for various purposes.
- d. Certain financial institutions or their respective affiliates (including AIG, Allianz Global Risk US Insurance Company, Bank of America, N.A., CVS-Caremark, National Union Fire Insurance Company, PNC Bank, National Association, Regions Bank; TIAA CREF Investment Service, TD Bank, N.A., U.S. Bank N.A., and Wells Fargo) on **Schedule 2** (i) are lenders to an affiliate

of Deloitte & Touche (Deloitte & Touche is a guarantor of such indebtedness) and/or (ii) have financed a portion of the capital and/or capital loan requirements of various partners and principals, respectively, of Deloitte & Touche and its affiliates. In addition, certain institutions or their respective affiliates, including Nuveen Asset Management, LLC and U.S. Bank, provide asset management services for, and/or have a similar role with respect to investments of, certain pension, benefit and similar funds sponsored by affiliates of Deloitte & Touche.

- e. Deloitte Tax and/or its affiliates have performed and may continue to perform professional services to certain Potential Parties-in-Interest that were involved in the Debtors sale process and/or evaluated a sale transaction with the Debtors during the Chapter 11 Cases, where such services are unrelated to the Chapter 11 Cases.
- f. Certain DTTL Member Firms have performed, continue to perform, and/or may in the future perform ordinary course professional services for certain non-Debtor affiliates of the Debtors in matters unrelated to the Debtors or their Chapter 11 Cases. For instance, a DTTL Member Firm located in the People's Republic of China has provided ordinary course audit services for non-Debtor affiliate Jo-Ann Trading Shanghai Co., Ltd.
- g. Certain Potential Parties-in-Interest may be adverse to and/or involved in litigation matters with Deloitte & Touche or its affiliates in connection with matters unrelated to the Chapter 11 Cases.
- h. Deloitte & Touche and Deloitte Tax have provided and continue to provide certain audit services and tax services, respectively, to certain Potential Parties-in-Interest and/or their affiliates, in matters unrelated to these Chapter 11 Cases. In its capacity as independent auditor, Deloitte & Touche provides such clients with ordinary course auditing services and conducts typical audit procedures that may arise from such Potential Parties-in-Interests' business arrangements with the Debtors. Similarly, Deloitte Tax, in its capacity as tax services provider, provides such clients with ordinary course tax services which may arise from or reflect such Potential Parties-in-Interests' business arrangements with the Debtors.
- i. Deloitte & Touche and/or its affiliates have provided, currently provide, and will continue to provide financial advisory services to the Pension Benefit Guaranty Corporation (the "PBGC"). The Debtors and their pension plans are not the subject of these services for the PBGC.

16. Furthermore, through reasonable inquiry, I do not believe there is any connection between the personnel of Deloitte & Touche or its affiliates who are anticipated to provide services to the Debtors and the United States Bankruptcy Judge presiding in their Chapter 11 Cases, the

United States Trustee for Region 3, the Assistant United States Trustee for the District of Delaware, and the attorney therefor assigned to these Chapter 11 Cases.

17. Despite the efforts described above to identify and disclose Deloitte & Touche's connections with the Potential Parties-in-Interest in the Chapter 11 Cases, because Deloitte & Touche is a nationwide firm with thousands of personnel, and because the Debtors are a large enterprise, Deloitte & Touche is unable to state with certainty that every client relationship or other connection has been disclosed. In this regard, if Deloitte & Touche discovers additional material information that it determines requires disclosure, it will file a supplemental disclosure promptly with the Court.

18. Except as may be disclosed herein, to the best of my knowledge, information, and belief, Deloitte & Touche and the Deloitte & Touche Engagement Partners/Principals/Managing Directors do not hold or represent any interest adverse to the Debtors, and I believe that Deloitte & Touche is a "disinterested person" as that term is defined in Section 101(14) of the Bankruptcy Code, as modified by Section 1107(b) of the Bankruptcy Code.

Scope of Services

19. As set forth more fully in the Agreement, Deloitte & Touche has agreed to provide the Debtors assistance with accounting and internal control matters affecting the Debtors in accordance with the terms and conditions set forth in the Agreement, and as requested by the Debtors and agreed to by Deloitte & Touche, as follows:

- (i) Assist the Debtors with researching the relevant accounting literature applicable to certain of the Debtors' transactions, as mutually agreed, and documentation or verbal communication of the results of that research for consideration in analyzing the appropriate accounting treatment, if requested.
- (ii) Assist the Debtors in the preparation of the documentation of the results of the transaction analyses and accounting research using the Debtors' documentation methodology and templates, if requested.

- (iii) Advise and provide recommendations to Debtor management as the Debtors document key outstanding accounting issues, along with preliminary considerations and any tentative conclusions.
- (iv) Advise and provide recommendations to Debtor management by preparing memos or analysis and possible enhancements to such documentation.
- (v) Assist the Debtors in identifying relevant technical guidance that the Debtors management should consider as the Debtors form a basis for tentative conclusions.
- (vi) Advise the Debtors on tentative conclusions and policy choices with client management.
- (vii) Assist the Debtors in the preparation of documentation of (1) new accounting policies and procedures or (2) enhancements to current accounting policies and procedures, as mutually agreed.

Professional Compensation

20. Deloitte & Touche's retention by the Debtors is conditioned upon its ability to be retained in accordance with its terms and conditions of employment, including the proposed compensation arrangement and indemnification provisions, set forth in the Agreement.

21. Prior to the Petition Date, Deloitte & Touche received \$20,000 in retainer amounts for services to be performed for the Debtors.

22. Pursuant to the terms of the Agreement, Deloitte & Touche will bill the Debtors based on the amount of professional time required and the experience level of the professionals involved, as follows:

Resource Level	Hourly Rate
Partner / Managing Director	\$650
Senior Manager	\$350
Manager	\$300
Senior	\$250
Consultant	\$200

23. In addition, reasonable expenses, including travel, report production, document delivery services, and other expenses incurred in providing Deloitte & Touche's services, will be included in the total amount billed.

24. Some services incidental to the tasks to be performed by Deloitte & Touche in these Chapter 11 Cases may be performed by personnel now employed by or associated with affiliates of Deloitte & Touche, such as Deloitte Tax, Deloitte FAS, DTBA, and Deloitte Consulting, or their respective subsidiaries, including subsidiaries located outside of the United States. For example, a portion of the Services will be performed, at Deloitte & Touche's direction, by its indirect subsidiary, Deloitte & Touche Assurance & Enterprise Risk Services India Private Limited ("Deloitte & Touche India"). A specifically assigned team of personnel from Deloitte & Touche India will assist in the services under the supervision, and with the input, of personnel of Deloitte & Touche. The hourly rates charged to clients by Deloitte & Touche for services performed by Deloitte & Touche India personnel are comparable to the market rates charged for similar services by Deloitte & Touche, but do not directly correlate with the hourly rates attributed to such services by Deloitte & Touche India. The connections of Deloitte & Touche India (along with the connections of Deloitte & Touche and its other affiliates) to the Potential Parties-in-Interest searched by Deloitte & Touche are set forth in **Schedule 2** to this Declaration.

25. Prior to the Petition Date, Deloitte & Touche provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte & Touche approximately \$134,173, including retainer amounts, for services performed and/or to be performed prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte & Touche prior to such date, and no retainer amounts remained as of such date.

26. Prior to the Petition Date, Deloitte Tax provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte Tax approximately \$935,564, including retainer amounts, for services performed and/or to be performed prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte Tax prior to such date, and no retainer amounts remained as of such date.

27. Prior to the Petition Date, DTBA provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid DTBA approximately \$83,475, including retainer amounts, for services performed prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by DTBA prior to such date, and no retainer amounts remained as of such date.

28. Prior to the Petition Date, Deloitte FAS provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte FAS approximately \$2,015,028 for services performed prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte FAS prior to such date.

29. Deloitte & Touche has received no promises regarding compensation in these Chapter 11 Cases other than in accordance with the Bankruptcy Code and as set forth in this Declaration. Deloitte & Touche has no agreement with any nonaffiliated or unrelated entity to share any compensation earned in these Chapter 11 Cases.

No Duplication of Services

30. To my knowledge, the services Deloitte & Touche provides to the Debtors will not duplicate the services that other professionals will be providing to the Debtors in these Chapter 11 Cases. Specifically, I believe that Deloitte & Touche will perform unique services and will use

reasonable efforts to coordinate with the Debtors to avoid the unnecessary duplication of services by any of the Debtors' other retained professionals.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Agreement

MASTER SERVICES AGREEMENT

THIS MASTER SERVICES AGREEMENT (this “Agreement”), dated August 12, 2024 (the “Effective Date”), is between Deloitte LLP, a Delaware limited liability partnership, for and on behalf of its subsidiaries, and Jo-Ann Stores LLC, an Ohio Limited Liability Company (“Client”).

WHEREAS, Client desires to engage one or more subsidiaries of Deloitte LLP (such as Deloitte & Touche LLP, Deloitte Consulting LLP, Deloitte Tax LLP, Deloitte Financial Advisory Services LLP, and Deloitte Transactions and Business Analytics LLP) to provide certain professional services and one or more of such subsidiaries are willing to provide certain professional services to assist Client; and

NOW, THEREFORE, in consideration of the foregoing and of the mutual promises contained herein, the parties hereto agree as follows:

1. Services.

- a) Client and the Deloitte LLP subsidiary that has the responsibility for the requested services (“Consultant”) may agree to enter into one or more written statements of work each of which will reference this Agreement (each, an “SOW”) and describe the services to be performed thereunder (the “Services”). Each SOW is subject to the terms of this Agreement (regardless of whether such Agreement is expressly incorporated) and constitutes a separate agreement between the parties thereto. A form statement of work is attached hereto as Exhibit A.
- b) Deloitte LLP is not a provider of professional services. No audit, review, compilation or attest services as described in the pronouncements on professional standards issued by the American Institute of Certified Public Accountants or any successor standard setting organization will be performed under this Agreement.

2. Compensation.

- a) Client shall compensate Consultant for all Services performed under the applicable SOW. Except as otherwise provided in an SOW, Client shall reimburse Consultant for all reasonable expenses incurred in performing the Services (including, all reasonable travel, meal, lodging, and mileage expenses) in accordance with Consultant’s Travel and Expense Policy attached hereto as Exhibit B. Expenses must be pre-approved by Client if such expense is expected to exceed over \$500. Notwithstanding the foregoing, any expenses that fall within either a general category of permitted expenses as described in an SOW or a total expense estimate or cap in an SOW are deemed to be pre-approved.
- b) [RESERVED]
- c) Client shall be responsible for any taxes imposed on the Services or on the engagement, other than taxes imposed by employment withholding for Consultant’s personnel or on Consultant’s income or property.
- d) Except as otherwise provided in an SOW, Consultant shall invoice Client on a monthly basis for fees accrued and expenses incurred by Consultant in performing the Services under such SOW. Client shall pay each invoice within sixty (60) days of its receipt thereof. If undisputed portions of such payment is not received within such period Consultant may suspend or terminate the Services upon five (5) days prior written notice to Client. Client shall notify Consultant in writing of any disputed amounts within thirty (30) days of receipt of the applicable invoice, reasonably describing the basis for such dispute (a “Dispute Notice”). The parties shall in good faith endeavor to resolve such dispute within thirty (30) days of Consultant’s receipt of such notice (the “Escalation Period”), including by means of escalation by each party to Consultant’s engagement leader and Client’s business sponsor for the applicable SOW, who shall meet (in person or by telephone) to endeavor to resolve such dispute within the Escalation Period. If payment of

amounts disputed pursuant to a timely Dispute Notice is not received within five (5) days after the end of the Escalation Period, Consultant may suspend or terminate the Services upon five (5) days prior written notice.

3. Term.

- a) This Agreement commences on the Effective Date and remains in effect until it is terminated pursuant to the terms hereof.
- b) Either party hereto may terminate this Agreement with or without cause by giving not less than sixty (60) days prior written notice to the other party. Either party to an SOW may terminate such SOW with or without cause by giving not less than thirty (30) days prior written notice to the other party. In the event of any termination for cause, such cause must be detailed in the termination notice and the breaching party shall have the right to cure the breach within the notice period. Consultant may terminate any SOW, upon written notice to Client, if Consultant, in good faith, determines that the performance of any part of the Services would be in conflict with law, or independence or professional rules.
- c) In the event this Agreement is terminated, its terms shall continue to apply to all SOWs under which Services have not been completed at the effective date of such termination. Termination of an SOW has no effect on any other SOW.

4. Ownership.

- a) For purposes of this Agreement (i) "IP" means works of authorship, materials, information and other intellectual property; (ii) "Consultant IP" means all IP created prior to or independently of the performance of the Services, or created by Consultant or its subcontractors as a tool for their use in performing the Services, plus any modifications or enhancements thereto and derivative works based thereon; and (iii) "Deliverables" means all IP that Consultant or its subcontractors create for delivery to Client as a result of the Services.
- b) Upon full payment to Consultant under the applicable SOW, and subject to the terms herein, Consultant hereby (i) assigns to Client all rights in and to the Deliverables, other than any Consultant IP included therein; and (ii) grants to Client the right to use, for Client's internal business purposes, any Consultant IP included in the Deliverables in connection with its use of the Deliverables. Except for such license grant, Consultant or its licensors retain all rights in and to all Consultant IP.
- c) To the extent any Consultant IP provided to Client in connection with the Services constitutes inventory within the meaning of section 471 of the Internal Revenue Code, such Consultant IP is licensed to Client by Consultant as agent for its product company subsidiary on the terms contained herein. The rights granted in this Section do not apply to any IP that is licensed to Client under a separate agreement.

5. **Warranties.** This is a services agreement. Consultant warrants that: (a) it shall perform the Services in good faith and in a professional, workmanlike manner consistent with generally accepted industry standards (if any) for the performance of the Services; (b) Services will conform in all material respects to the description of such Services set forth in the applicable SOW; (c) each Deliverable will, on the date of acceptance of such Deliverable by Client, conform in all material respects to the applicable specifications for such Deliverable set forth in the applicable SOW or as otherwise agreed by Client and Consultant in writing; and (d) Consultant will comply with all federal, state and local laws and regulations applicable to it in its performance of its obligations under this Agreement or any SOW. **CONSULTANT DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED,**

INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

- 6. Limitation on Damages.** Each party to an SOW, its affiliates and subcontractors, and their respective personnel shall not be liable to the other party for any claims, liabilities, or expenses relating to or in connection with this Agreement or such SOW ("Claims") for an aggregate amount in excess of:
- a. with respect to an SOW under which the total expected fees as specified in such SOW are less than \$500,000, three times (3x) the fees paid or payable by Client to Consultant under such SOW;
 - b. with respect to an SOW under which the total expected fees as specified in such SOW are equal to or greater than \$500,000 but less than \$2,000,000, two times (2x) the fees paid or payable by Client to Consultant under such SOW; or
 - c. with respect to an SOW under which the total expected fees as specified in such SOW are equal to or greater than \$2,000,000, the fees paid or payable by Client to Consultant under such SOW, up to an aggregate amount of \$5,000,000;

in each case, except (i) to the extent resulting from their recklessness, bad faith or intentional misconduct, (ii) to the extent resulting from such party's breach of law applicable to such party in its performance of its obligations under the applicable SOW (other than laws relating to the standards for the performance of professional services or data privacy or data security) or (iii) for payment for fees and expenses due under such SOW. In no event shall a party to an SOW, its affiliates or subcontractors, or their respective personnel be liable to the other party for any loss of use, data, goodwill, revenues or profits (whether or not deemed to constitute a direct Claim), or any consequential, special, indirect, incidental, punitive, or exemplary loss, damage, or expense, relating to or in connection with this Agreement or such SOW. The terms of this Section shall not apply (x) to any Claim for which one party has an express indemnification obligation under this Agreement or such SOW or (y) to the extent resulting from their disclosures of the other party's Confidential Information (as defined below) in breach of Section 8, in which event the breaching party, its affiliates and subcontractors, and their respective personnel shall not be liable to the other party for any Claims resulting from such disclosures for an aggregate amount in excess of:

- A. with respect to an SOW under which the total expected fees as specified in such SOW are less than \$500,000, the greater of five times (5x) the fees paid or payable by Client to Consultant under such SOW or \$1,000,000;
- B. with respect to an SOW under which the total expected fees as specified in such SOW are equal to or greater than \$500,000 but less than \$2,000,000, three and a half times (3.5x) the fees paid or payable by Client to Consultant under such SOW; or
- C. with respect to an SOW under which the total expected fees as specified in such SOW are equal to or greater than \$2,000,000, two times (2x) the fees paid or payable by Client to Consultant under such SOW, up to an aggregate amount of \$10,000,000.

In circumstances where any limitations or exculpations set forth herein are unavailable, the aggregate liability of a party to an SOW, its affiliates and subcontractors, and their respective personnel for any Claim shall not exceed an amount that is proportional to the relative fault that their conduct bears to all other conduct giving rise to such Claim. For purposes of this Agreement, "payable" means fees incurred but not yet paid by Client to Consultant under the applicable SOW.

7. Relationship and Responsibilities.

- a) Each party to an SOW is an independent contractor and neither is, nor shall be considered to be, nor shall purport to act as, the other's agent, partner, fiduciary, joint venturer, or representative.
- b) In addition to Client's responsibilities as set forth in an SOW, Client shall cooperate with Consultant in the performance of the Services, including (i) providing Consultant with adequate working space, equipment and facilities and timely access to data, information, and personnel of Client; (ii) providing personnel having appropriate skills to perform their assigned tasks and duties in a competent and timely fashion; (iii) providing a system infrastructure environment which will support the Services and allow Consultant and Client to work productively; and (iv) promptly notifying Consultant of any issues, concerns or disputes with respect to the Services. With respect to the data and information provided by Client to Consultant or its subcontractors for the performance of the Services, Client shall have all rights required to provide such data and information, and shall do so only in accordance with applicable law and with any procedures agreed upon in writing. If Consultant is provided with access to or use of Client's facilities outside the United States for the purpose of performing the Services, such facilities will not be dedicated solely for Consultant's use and Consultant will not be deemed a tenant of Client with respect to such facilities.
- c) Client shall be solely responsible for: (i) the performance of its personnel and agents; (ii) the accuracy and completeness of all data and information provided to Consultant for purposes of the performance of the Services; (iii) making all management decisions, performing all management functions, and assuming all management responsibilities; (iv) designating a competent management member to oversee the Services; (v) evaluating the adequacy and results of the Services; (vi) accepting responsibility for the results of the Services; and (vii) establishing and maintaining internal controls, including monitoring ongoing activities.
- d) The Services may include advice and recommendations, but Consultant will not make any decisions on behalf of Client in connection with the implementation of such advice and recommendations. Consultant's performance is dependent upon Client's (i) timely and effective satisfaction of its responsibilities under this Agreement and any SOW, and (ii) timely decisions and approvals in connection with the Services, upon which Consultant shall be entitled to rely.
- e) Consultant shall use diligent efforts to meet performance dates set forth in an SOW and shall notify Client promptly if Consultant encounters significant delays in completing the Services. Notwithstanding the foregoing, all performance dates contained in such SOW shall be regarded only as estimates, except for dates specifically identified as "Firm Performance Dates" therein.

8. Confidentiality, Data Security, and Internal Use.

- a) To the extent that, in connection with this Agreement or any SOW, either Consultant or Client (each, the "receiving party") comes into possession of any Confidential Information of the other (the "disclosing party"), it will not disclose such information to any third party without the disclosing party's consent, using at least the same degree of care as it employs in maintaining in confidence its own Confidential Information of a similar nature, but in no event less than a reasonable degree of care. "Confidential Information" means and includes non-public or other proprietary information including trade secrets, technical information, algorithms, code, data, designs, documentation, drawings, formulae, hardware, know-how, ideas, inventions, whether patentable or not, photographs, plans, procedures, processes, reports, research, samples, sketches, software, specifications, business information, including customer, employee, and distributor names, marketing information, operations, plans, products, financial information, pricing, and other information a reasonably person would consider confidential under the circumstances. The disclosing party hereby consents to the receiving party disclosing such information (i) as expressly

set forth in the applicable SOW; (ii) to contractors providing administrative, infrastructure and other support services to the receiving party and subcontractors providing services in connection with an SOW, in each case, whether located within or outside of the United States, provided that they have agreed to be bound by confidentiality obligations similar to those in this sub-Section; (iii) as may be required by law or regulation, or to respond to governmental inquiries, or in accordance with applicable professional standards or rules, or in connection with litigation pertaining to this Agreement or an SOW; or (iv) to the extent such information (A) is or becomes publicly available other than as the result of a disclosure in breach hereof, (B) becomes available to the receiving party on a nonconfidential basis from a source that the receiving party believes is not prohibited from disclosing such information to the receiving party, (C) is already known by the receiving party without any obligation of confidentiality with respect thereto, or (D) is developed by the receiving party independently of any disclosures made to the receiving party hereunder. If Client is an attest client of any Deloitte Entity (as defined herein), any such information may be used by such Deloitte Entity in the context of responding to its professional obligations as the independent accountants for Client.

- b) All Services and Deliverables shall be solely for Client's benefit, and are not intended to be relied upon by any person or entity other than Client. Client shall not disclose the Services or Deliverables, or refer to the Services or Deliverables in any communication, to any person or entity other than Client except (i) as expressly set forth in the applicable SOW, (ii) to Client's contractors, attorneys, and tax and accounting professional advisors acting strictly in an advisory capacity to Client (collectively, "Agents") solely for the purpose of their providing services to Client relating to or deriving from the subject matter of such SOW, provided that they comply with the restrictions on disclosure set forth in this sentence, or (iii) to the extent included within Client-created materials that do not in any way, expressly or by implication, attribute such materials to Consultant or its subcontractors. Client agrees to indemnify and hold harmless Consultant, its affiliates and subcontractors, and their respective personnel from all Claims attributable to claims of third parties relating to Client's or its Agent's use or disclosure of the Services or Deliverables.
- c) No provision in this Agreement (including Section 8) or any SOW, is or is construed to be as a condition of confidentiality within the meaning of Rule 3501(c)(i) of PCAOB Release 2005-014, Internal Revenue Code Sections 6011 and 6111 or the regulations thereunder, any related Internal Revenue Service guidance, or any other similar law, with respect to any Services, Deliverables or other materials of any kind provided hereunder relating to tax treatment or tax structure (collectively referred to as "Subject Tax Planning Advice"). Client acknowledges that none of its other advisors have imposed or will impose any conditions of confidentiality with respect to the tax treatment or tax structure associated with the Services or transactions described in an SOW. Notwithstanding anything herein to the contrary, no provision in this Agreement or any SOW shall place any limitation on Client's disclosure of any Subject Tax Planning Advice. The Services and Deliverables shall be solely for Client's informational purposes and internal use, and neither this Agreement nor any SOW shall create privity between Consultant and any person or party other than Client ("third party"). Neither the Services nor any Deliverables are intended for the express or implied benefit of any third party. Unless otherwise agreed to in writing by Consultant, no third party is entitled to rely in any manner or for any purpose, on the Services or Deliverables. In the event of any unauthorized reliance on any Subject Tax Planning Advice, Client agrees to indemnify and hold harmless Consultant, its subcontractors, and their respective personnel from all third-party claims, liabilities, costs and expenses. Notwithstanding anything to the contrary herein, Client's indemnification obligations set forth in Section 8(b) shall not apply to any disclosure by Client of any Subject Tax Planning Advice.
- d) To the extent that, in connection with an SOW, Consultant comes into possession of any Confidential Information of Client, Consultant shall implement and maintain not less than an industry standard security program for Confidential Information designed to (i) ensure the security

and confidentiality of Confidential Information; (ii) protect against any anticipated threats or hazards to the security or integrity to Confidential Information, and (iii) protect against unauthorized access to or use of Confidential Information that could result in substantial harm to Client. Consultant shall provide Client, upon reasonable request, with a copy of its Information Security Statement and any updates or amendments thereto.

9. Indemnification.

- a) Each party to an SOW agrees to indemnify, defend and hold harmless the other party, its subcontractors and their respective personnel from all Claims attributable to claims of third parties solely for: (i) bodily injury, death or physical damage to real or tangible personal property occurring while Consultant is performing the Services to the extent directly and proximately caused by the negligence or intentional misconduct of the indemnifying party and that does not arise from the indemnifying party's performance obligations under such SOW; and (ii) for any employment-related payment obligations (including taxes, interest, and penalties arising therefrom) assessed against the indemnified party only with respect to the indemnifying party's personnel, except to the extent that such payment obligations are assessed against the indemnified party as a result of acts or omissions of the indemnified party.
- b) Consultant agrees to indemnify, defend and hold harmless Client and its personnel from all Claims attributable to claims of third parties for infringement by a Deliverable of any U.S. patent existing at the time of delivery or copyright or any unauthorized use of any trade secret, except to the extent that such infringement or unauthorized use arises from (i) modification of the Deliverable other than by Consultant or its subcontractors, or use thereof in a manner not contemplated by the applicable SOW, (ii) the failure of the indemnified party to use any corrections or modifications expressly made available by Consultant, (iii) information, materials, instructions, specifications, requirements or designs provided by or on behalf of the indemnified party, or (iv) the use of the Deliverable in combination with any platform, product, network or data not provided or expressly approved by Consultant. If Client's use of any such Deliverable, or any portion thereof, is or is likely to be enjoined by order of a court of competent jurisdiction as such an infringement or unauthorized use, Consultant, at its option and expense, shall have the right to (x) procure for Client the continued use of such Deliverable, (y) replace such Deliverable with a non-infringing Deliverable, or (z) modify such Deliverable so it becomes non-infringing; provided that, if (y) or (z) is the option chosen by Consultant, the replacement or modified Deliverable is capable of performing substantially the same function. In the event Consultant cannot reasonably procure, replace or modify such Deliverable in accordance with the immediately preceding sentence, Consultant may require Client to cease use of such Deliverable and refund the professional fees paid to Consultant with respect to the Services giving rise to such Deliverable. The foregoing provisions of this sub-Section constitute the sole and exclusive remedy of the indemnified parties, and the sole and exclusive obligation of Consultant, relating to a claim that any of Consultant's Deliverables infringes any patent, copyright or other intellectual property right of a third party.
- c) The indemnified party shall provide the indemnifying party with prompt written notice of any claim, liability, or expense for which indemnification is sought under this Agreement or the applicable SOW (an "Indemnity Claim"), cooperate in all reasonable respects with the indemnifying party in connection with any such Indemnity Claim, and use reasonable efforts to mitigate any Indemnity Claim; provided, however, that the indemnified party's failure to comply with the foregoing obligations shall not relieve the indemnifying party of its indemnification obligations, except to the extent the indemnifying party has been actually prejudiced by such failure. The indemnifying party shall be entitled to defend and control the handling of any such Indemnity Claim, with counsel of its own choosing that is reasonably satisfactory to the indemnified party. The indemnifying party shall not settle any Indemnity Claim without the prior written consent of the indemnified party.

10. Approval of Deliverables.

- a) Client shall approve each Deliverable that conforms in all material respects with any specifications for such Deliverable set forth in the SOW or as otherwise agreed by Client and Consultant in writing ("Specifications"). Within fifteen days (or such other period agreed upon in the applicable SOW) from its receipt of a Deliverable, Client shall provide Consultant with (i) written approval of such Deliverable or (ii) a written statement which identifies in reasonable detail, with references to the applicable Specifications, all of the deficiencies preventing approval (the "Deficiencies").
- b) Consultant shall have thirty days (or such other period agreed upon in the applicable SOW) from the date it receives the notice of Deficiencies to complete corrective actions in order for such Deliverable to conform in all material respects to the applicable Specifications. Client shall complete its review of the corrected Deliverable and notify Consultant in writing of acceptance or rejection in accordance with the foregoing provisions of this Section.
- c) Notwithstanding the foregoing provisions of this Section, approval of a Deliverable shall be deemed given by Client if Client has not delivered to Consultant a notice of Deficiencies for such Deliverable prior to the expiration of any period for Client review thereof as set forth in this Section, or if Client uses the Deliverable in production.
- d) To the extent that any Deliverable has been approved by Client at any stage of Consultant's performance under an SOW, Consultant shall be entitled to rely on such approval for purposes of all subsequent stages of Consultant's performance under such SOW. In the event an approved Deliverable differs from the Specifications for such Deliverable, the Specifications shall be deemed modified to conform with such approved Deliverable. Without limiting the foregoing, upon Client's written request, Consultant and Client will update the Specifications to conform to the approved Deliverable.
- e) If Consultant is unable to correct any Deficiency in a Deliverable within the period of time set forth above, Client shall be entitled, at its option, to (i) a refund or credit of professional fees paid to Consultant under the applicable SOW with respect to the Services giving rise to such Deliverable and this shall be Client's sole and exclusive remedy, and Consultant's sole and exclusive obligation, with respect to any claim that the Deliverables do not conform to the requirements of this Agreement or such SOW or (ii) exercise any other rights and remedies available to Client under this Agreement or such SOW, whether at law or in equity.

11. Force Majeure. Neither Consultant nor Client shall be liable for any delays or nonperformance directly or indirectly resulting from circumstances or causes beyond its reasonable control, including fire, epidemic or other casualty, act of God, strike or labor dispute, war or other violence, or any law, order, or requirement of any governmental agency or authority.

12. Survival. All provisions that are intended by their nature to survive performance of the Services shall survive such performance, or the expiration or termination of this Agreement or the applicable SOW.

13. Interpretation. Each of the provisions of this Agreement and each SOW shall apply to the fullest extent of the law, whether in contract, statute, tort (such as *negligence*) or otherwise, notwithstanding the failure of the essential purpose of any remedy. Liability limits set forth in this Agreement or any SOW are intended solely to set maximum limits and are not intended as estimates of actual liability. Any references herein to the term "including" shall be deemed to be followed by "without limitation". The Section headings in this Agreement are for convenience of reference only and shall not affect the meaning or interpretation hereof. Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), the member firms of DTTL (including Deloitte LLP), and each of their respective affiliates (including Consultant) are referred to herein collectively as the "Deloitte Entities" and individually as a "Deloitte Entity." In the event of any conflict between the terms of this Agreement and the terms of any SOW, the terms of this Agreement shall

control, except to the extent that such SOW provides that specified provisions therein shall control over specified provisions of this Agreement.

14. Binding Nature; Assignment and Subcontracting. This Agreement and each SOW shall be binding on the respective parties thereto and their respective permitted successors and assigns; provided, however, that, except as provided below, neither party may assign any of its rights or obligations (including interests or claims) relating to or in connection with this Agreement or such SOW, without the prior written consent of the other party. Client hereby consents to Consultant subcontracting a portion of the Services to any Deloitte Entity and to any other third party, in each case, whether located within or outside the United States. Services performed by Consultant's subcontractors shall be invoiced as professional fees on the same basis as Services performed by Consultant's personnel, unless otherwise agreed. Consultant agrees to be responsible to Client for the Services performed by its subcontractors to the same extent that Consultant would be responsible to Client if Consultant had performed such Services. No Deloitte Entity, other than Consultant, and no personnel of any Deloitte Entity shall have any liability to Client relating to or in connection with this Agreement or any SOW, and Client will not bring any action against any such Deloitte Entity or any personnel of any Deloitte Entity in connection therewith.

15. Notices. Any notice required under this Agreement or any SOW shall be (i) in writing, (ii) delivered to the representatives of the parties at the addresses set forth below unless changed by either party by notice to the other party, and (iii) effective upon receipt.

16. Severability. If any term of this Agreement or any SOW is unenforceable, such term shall not affect the other terms, but such unenforceable term shall be deemed modified to the extent necessary to render it enforceable, preserving to the fullest extent permitted the intent of the parties set forth in this Agreement or such SOW.

17. Waivers and Amendments. No delay or omission by a party in enforcing its rights or remedies under this Agreement or any SOW shall impair such right or remedy or be deemed to be a waiver thereof. No amendment or waiver of this Agreement or any SOW shall be valid unless in writing and signed by the parties thereto.

18. Non-solicitation. During the term of an SOW and for a period of one year thereafter, each of Consultant and Client agrees that its personnel (in their capacity as such) who had substantive contact with personnel of the other in the course of the performance of Services under such SOW shall not, without the other's consent, directly or indirectly solicit the services of such personnel of the other. This provision shall not restrict the right of either Consultant or Client to solicit generally in the media and does not apply to any personnel that replied/was hired via such general solicitation.

Consultant may (a) provide any services to any person or entity, and (b) develop for itself, or for others, any materials or processes, including those that may be similar to those produced as a result of the Services, provided that, Consultant complies with its obligations of confidentiality set forth hereunder.

20. Third-Party Beneficiaries. Any third parties referenced in any disclaimer or waiver of liability, limitation on damages or actions, or indemnity in this Agreement or any SOW are intended third-party beneficiaries of such terms and may in their own right enforce such terms. Except as set forth in this Section, (a) there are no third-party beneficiaries of this Agreement or any SOW, and (b) no rights, benefits, or remedies of any kind or character whatsoever are conferred upon, and no party to this Agreement or any SOW shall owe any duty to, any person or entity other than the other party to this Agreement or such SOW, respectively.

21. Governing Law. This Agreement and each SOW, including attachments, and all matters relating to or in connection with this Agreement and each SOW, shall be governed by, and construed in accordance with, the laws of the State of New York (without giving effect to the choice of law principles thereof).

22. Disputes.

- a) Any action relating to or in connection with this Agreement or any SOW shall be brought and maintained exclusively in any state or federal court, in each case located in New York County, the State of New York. Each party to this Agreement or any SOW hereby expressly and irrevocably submits to the jurisdiction of such courts for the purposes of any such action and expressly and irrevocably waives, to the fullest extent permitted by law, any objection which it may have or hereafter may have to the laying of venue of any such action brought in any such court and any claim that any such action has been brought in an inconvenient forum.
- b) **EACH PARTY TO THIS AGREEMENT OR ANY SOW HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM RELATING TO OR IN CONNECTION WITH THIS AGREEMENT OR ANY SOW.**
- c) No action, regardless of form, relating to or in connection with this Agreement or any SOW may be brought more than three years after the cause of action has accrued, except that an action for nonpayment may be brought not later than three years following the due date of the last payment owing to the entity bringing the action.

23. Entire Agreement. This Agreement and the applicable SOW, including attachments, shall constitute the entire agreement with respect to the subject matter of such SOW and shall supersede all other oral or written representations, understandings, or agreements relating to or in connection with the subject matter thereof. In making its determination to proceed with an SOW, neither party thereto will have relied on any representations of the other party except as expressly set forth in this Agreement or such SOW.

24. Site Conditions. To the extent working on site at a Client facility, Consultant acknowledges that it has been given the opportunity to inspect the site and has done so and accepted the conditions thereof or has voluntarily waived its right to do so and hereby assumes knowledge of any condition which would have or could have reasonably been discovered upon inspection.

25. Publicity. Consultant must not construe the award of this Agreement to Consultant in any advertising or other publicity materials as an endorsement of Consultant or Consultant's products by Client. Consultant must not use any Client IP or trade name directly or indirectly for advertising or publicity purposes without, in each case, the prior written consent of Client.

26. Insurance. Consultant must obtain and maintain insurance for the coverages and amounts of coverage not less than the following: (i) Workers Compensation (or the equivalent) complying with the law of Consultant's state of operation; (ii) Employer's Liability insurance with limits of \$1 million for each accident; (iii) Commercial General Liability insurance covering liability for injury, including death of persons, or damage to or loss of property, including such legal liability as may arise from the use of independent companies or contractual liability assumed under this Agreement, pursuant to policy terms and conditions, with a \$1M per occurrence and with a general aggregate limit of \$5 million; the requested limits may be met through a combination of primary and umbrella/excess coverages; (iv) Automobile liability insurance with combined single limits of \$1 million; (v) Fidelity bond including coverage for employee dishonesty in an amount of not less than \$1 million per loss; (vi) Cyber liability Insurance with limits not less than \$10 million for each claim; the insurance may be included within a professional liability coverage form; and (vii) Excess/Umbrella Liability Insurance with limits of not less than \$2 million for each occurrence and \$2 million in the aggregate.
